Peter's Pence Collection

Mistakenly, our Church Envelope Service assigned next weekend, July 5th-6th, as the weekend for the Annual Peter's Pence Collection (Pope's Collection), thus creating a bit of confusion since we had announced this weekend, June 28th-29th, as the proper weekend for this significant appeal.

Please be advised that, if you have prepared a Peter's Pence envelope and brought it with you this weekend, please drop it in the previously announced 2nd Collection for June 28th-29th. Any out-of-pocket, out-of-purse donations would be appreciated as well.

For those who will be bringing their Peter's Pence envelope with them next weekend, please drop it in the usual Offertory (First) Collection of July 5th-6th. Sorry for the bit of confusion! And thank you so very much for assisting our Holy Father to come to the rescue of our brothers and sisters in need all over the globe.

Words of Life

"In February 2005, Sara Scantlin of Kansas awoke from the "persistent vegetative state" she had been in since a drunk driver hit her in 1984 when she was only 18... Since 22 September 1984, Sara Scantlin had never uttered a word, her brain so badly damaged... that experts said she would spend the rest of her life in her own silent world. ...(Since she awoke, her parents) have listened in astonishment as she reels off the names of relatives, former pets, friends from school and dates. ... Her doctor, Bradley Scheel, says critical pathways in Sarah's brain ... have regenerated and kicked back into life. ... A very important part of this case is the fact that throughout her 20-year coma, Sarah could see, hear, and understand what was going on around her."
